- g. The implementation of the F-ROC program does not guarantee funding for Applicants. Funding will remain contingent upon obligation by FEMA and the Applicant will be liable for repayment (See (7) REPAYMENTS) upon de-obligation by FEMA of any disbursed funds. Any de-obligation of funding is within FEMA's sole discretion and the Division shall not be liable for FEMA's exercise of its discretion.
- h. If the Applicant seeks to "opt-out" of F-ROC, the Applicant must make a request to that effect and submit it in writing to the Division. The request must be on the Applicant's letterhead and duly signed by an authorized representative of the Applicant.
- i. The deadline to complete the 2026 DRA, pursuant to this Form, is October 31, 2025.
- j. The deadline to complete any abatement activities shall be March 31<sup>st</sup> of the calendar year after this Form has been executed and re-occurs every year.
- k. The Applicant shall have sixty (60) days from the date their County is designated under the disaster declaration to complete the applicable PDQ. The PDQ must be completed to access additional points and increase the locked-in score for that event. If the Applicant requests an extension on completing the PDQ, such an extension request must be made prior to the obligation of funds for it to impact the Applicant's score and therefore, influence the obligation attached thereto.
- l. The Applicant and the Division shall identify the key Points of Contact (POC) respectively.
- m. The Division reserves the right to remove an Applicant from the program. Furthermore, if the Division has reason to believe that the Applicant is engaged in fraud, waste, abuse, or noncompliance of State and/or Federal laws, the Division may impose a one (1) year prohibition upon the Applicant from participation in the program.
- n. - e. The Applicant may choose to receive a lesser score than the score earned through the completion of the above components on a one-time basis per disaster.
