Special Edition F-ROC Cocoa Break

January 2, 2025
Happy New Year!

Welcome to the New Year edition of the ~~F-ROC Coffee~~ ^{Cocoa} Break!

Let's dig in!

“We rolled out F-ROC at our annual meeting with all our stakeholders and when it was presented, it was the only time in the entire meeting when they all picked their pens up and took notes. It’s the only thing they had questions about, and it was the only thing they said they were excited to see in the future!”

Welcome back – we are so happy to ring in the New Year with our fellow F-ROCKers!

Storm season has concluded, we are ringing in the New Year and collectively have the strength of our amazing F-ROC community to **Prepare to Recover** more than ever before!

F-ROC’s New Year’s Resolutions:

- 1. Our first goal is to submit custom abatement plans prior to the January 31st, 2025 deadline.
- 2. We resolve to spend as much time as possible engaging in abatement activities, strengthening and improving Florida’s ability to **Prepare to Recover** when an event occurs.
- 3. Give your organization ample time to complete the abatement activities by March 31st, 2025.
- 4. Continue to build relationships across the F-ROC community, looking for new ideas and ways to improve the program, and support you in your recovery readiness.

PDQs (Post Disaster Questionnaire) have all closed – Be on the lookout for final scores

The PDQ for all Declared Counties impacted by Hurricanes Debby, Helene, and Milton have closed. See the table below for the date Final Scores will be available to view increases to your overall F-ROC score by event.
